2. 10th Annual Online Auction – Carrie Slatoff, The Kim Burns

Carrie discussed parties, procurement of items, 5 walking lists left

Jessica: remind friends that the auction is coming up. 2nd highest fundraiser behind Donor Drive. This money helps us fund for this fiscal year. It's not money for next year, it's money for this year.

Jessica reported for Billy:

Jan 16-27 online registration. No exceptions for late registration.

Encourage friends to attend the meeting.

Billy is really excited for this. It is completely parent driven, so we really need help. He is changing some things up this year

4. Restaurant Nights – Laura Berlant, Desiree Terian

-Desiree: Today is Golden Spoon day. The 1st Wednesday of every month is Golden Spoon day. They give back 50%

-Desiree: We are having 2 Restaurant Days this month:

1) Sharkey's: January 18th

2) Crica's: January 25th (excited about this one b/c it's the first time we've had them)

Laura: Described the amazon fundraising program. So far \$825 (July – Oct) raised.

Ralphs, not too late to sign up. We just received our first check for \$780 (Sept – Nov)

Ann: it's free money...you are just shopping and its free money to the school

Laura: Box Tops: contest coming up again.

Last year, Box Tops brought in about \$1,000. This year we only have brought in about \$200 so far. So, hopefully the next one will bring in a lot more money.

D. Principal's Report

Brazell: Happy New Year! We are continuing with all the wonderful things we are doing in the classroom. We've purchased some iPads for K-2nd. In 3-5th grade (since they are 1 to 1 with tech) they are partnering with the lower grades so everyone can work with iPads. We will be 1 to 1 with iPads in K-2nd. They are great for certain projects and for access to leveled books. Every student has a goal and strategies for reading, writing and math. We cannot do all this without you.

Lampert: teachers want to thank everyone for the lovely holiday lunch.

Brazell: We wrestle with spending money on a lunch, but it builds comradery and helps us meet our goals.

We are now in the time of school tours. Packets are available today for residents. Remind people to get their packets and get registered because we look at those numbers to determine how many other students we can take.

Questions:

Lisa D.: Is there a mid-year room parent meeting? It had been discussed that there won't be one, but I think the brand-new room parents may have questions and concerns.

Jessica: Lara feels that the January meeting is premature b/c most of the important room parent stuff happens at the end of the year. But there is no date set for one later in the school year.

Lisa D.: at the beginning of the year room parent meeting there was a handout with all of the events and duties of the room parent for the first part of the school year. If we don't have a meeting new room parents may have questions for the second part of the new year.
