- a. Mrs. Brazell noted that she would like for all kids can have access to the Farmers Market. Mairead offered suggestions on how to make it happen by coordinating with teachers. Mrs. Brazell added that Mooveapaloza was wonderful and Coach Felicity was really helping with that.
- b. Mrs. Brazell noted that she will be putting out a Principal's Message about staffing soon. She announced that Mrs. Fitzner is retiring.
- c. She noted that we have more students on the waiting list than she can take. She added that she is trying to be mindful of the space at school. She noted that there are approximately 50 Kinder students on this list for next year.
- d. She noted that there will probably be 3 x 5th grade and 3 x 4th grade classes that will probably affect our fundraising. She added that in keeping these grades at 3 classes, she will not have to do a combination class. A question was raised about the class sizes in the 2 grades - Mrs. Brazell answered that it would be the district average of 30-31 students.
- e. Mrs. Brazell encouraged people to spread the word about registering for Kindergarten.
- f. Mrs. Brazell noted that Ms. Canet will be staying at Chaparral.
- g. Mrs. Brazell noted that she anticipates to be a targeted Title-1 school and this will help fund our counselor.
- h. Mrs. Brazell noted that the office is really short staffed. She added that when Ms. Skillin was at our school, she had 1.5 hours per day of office work and the front office has taken on the job that Ms. Skillin used to do. A question was raised about allowing parents to volunteer in the office. Mrs. Brazell noted that there is a lot of confidential information and the office is not well designed for being confidential.
- i. Mrs. Brazell noted there will be a new district-wide system for checking-in where a driver license will be needed and a badge will be generated with your photo on it. She added that the badge will magically void itself after 24 hours. Mrs. Brazell noted that she heard that some schools in the district will be getting additional fencing, but that she does not know if it's Chaparral.
- j. Mrs. Brazell noted that she and Mrs. Lampert have been trying to make it out to the drop off line.

- k. A question was raised again about class sizes. Mrs. Brazell explained the formula that is used to determine the number of classes there will be per grade. She added that it also depends on what can be afforded and that every year is different.
- l. A question was raised about the current 2nd grade class being a large class and whether Mrs. Brazell would know about having 4 classes when in 4th grade. Mrs. Brazell, noted that every year is different. Jason added that it is all a numbers game. Mrs. Brazell restated that Ms. Fitzner is retiring and also announced that Mrs. Argyropolys will not be at Chaparral next year. She added that this year it worked out and if not, then new hires are made, sometimes just a few days before school starts.
- m. A question was brought up about having teachers come help in the morning for 30 minutes during their assigned traffic duty week. Mrs. Brazell noted that teachers have adjunct duties such as lunch duty and gate duty. She added that it is something she will bring up to the staff. She added that teachers have a contract she has to follow about teachers prep time.
- n. Mrs. Brazell noted that she has an all day meeting tomorrow with the grade-level leads to plan to schedule for next year.
- o. A question was raised about using PFC money to keep class sizes down to 25. Mrs. Brazell noted that the district discourages that. Mrs. Brazell noted that the district is negotiating the teachers' contracts and one of the items it covers is class size. She added that research shows that it is not the number of students in the classroom, but the quality of instruction.
- p. It was suggested that classroom size should be considered when classes are so large.
- q. Mrs. Brazell noted that more should be done with The Foundation by the community to fundraise for schools to not only provide counseling but also provide salaries for additional teachers to lower class sizes. A question was brought up about fundraising and it was stated that The Foundation is fundraising year round and donations can always be made.
- r. Mrs. Brazell reassured the room that the changes will all be OK and for the best.
